

Antrim Eagles Soar!

Letter from the Principal

Dear Parents,

At last week's school assembly, Mrs. Stacy led the school in singing "What Can One Little Person Do?" Mrs. Stacy took the song originally written by Sally Rogers and wrote new words. The new version focuses on AES's core values—Kindness, Honesty, Respect, and Cooperation (see page 2). Students had been practicing this new song in Muzart, but this was the first time that we had sung it all together. It was really lovely. The next time we sing the song, we are going to record it and put it on our website for all to enjoy.

In addition to learning the new song, students also created collaborative murals. Students in grades kindergarten through fourth worked on the murals. They are currently hanging in the multi-purpose room where parents will be able to see them next Tuesday at our Open House night. You can enjoy some refreshments and take a moment to enjoy these works of art. If you look closely, you will find:

- Hearts to show the **kindness** in each of us.
- Circles to show how **respect** comes back to you.
- Lines connecting the shapes to show how we all **cooperate** to make the school a happy place.
- Bright colors to show our true colors in being **honest** even when no one is there to see.

A very big thank you to Mrs. Stacy and Mrs. Storro for all the time and care they put into our new school song and the beautiful murals that illustrate symbolically what it means to be an Antrim Eagle. No doubt, AES has a very talented staff who are devoted to making AES an incredible place for children to spend their elementary school years.

Sincerely,

Ann Allwarden

What Can One Little Person Do?

By Sally Rogers

(New Words by AES's Resident Song Writer Kathy Stacy)

What can one little person do? What can one little me or you do?
What can one little person do to help this world go round?
One can help another one and together we can get the job done.
What can one little person do to help this world?

To build community, it takes you and it takes me.
We are just like one big family.
We're all different, but we're the same. We want everyone to know our name.
At AES we always try our best.

Everybody has a part. Kindness comes right from your heart.
Together we can make a better place.
Oh, we all want to be kind, to be a good friend every time.
That's what we need to do while we're at school.

Taking responsibility for our words and for our deeds,
That's what honesty is really all about.
It is knowing right from wrong, making choices, being strong,
Doing right even when no one's there to see.
Treat each other with respect. That's how we live The Golden Rule.
"Do unto others as you'd have done to you."
Wait your turn and please be fair. Let all you meet know that you care.
You will find that the respect comes back to you.

We want you to cooperate to make our school a happy place.
The teachers have a job to do to keep you safe.
You can help to make things right. We don't argue. We don't fight.
Everybody does their part to do what's right.
